The Kiwanis Club of Wallingford is a volunteer community service organization.

We've been involved for more than 69 years in Wallingford donating resources, talent, and financial assistance to numerous community-based projects for the benefit of the citizens of Wallingford and neighboring communities. Our goals are met annually through member donations and fund-raising within the community. We are not a recipient of the United Way or any other campaign. Our achievements and success are the result of the commitment and dedication of our members, as well as the generosity and support of the community at large

Please consider supporting our Road Race in some capacity. On behalf of our Kiwanis members – we truly appreciate any donation and level of support you can give.

Levels of sponsorships range from \$1,000 to \$175.

To register for the race – go to:
